Commercial RE Supplier Diversity Alliance

TAILORED SOLUTIONS FOR SUPPLIER DIVERSITY

CRESDA provides tailored solutions for fortune 500 and other large corporations' real estate supplier diversity initiatives, in turn providing opportunities for its member base of diverse (minority, woman, veteran, and LGBTQ owned) CRE brokerage firms nationwide. CRESDA's member base consists of highly vetted, qualified, and certified diverse real estate providers collaborating to impact communities nationally.

NATIONAL COMMERCIAL REAL ESTATE SERVICES

TENANT / LL REPRESENTATION

ACQUISITION / DISPOSITION

ADVISORY / CONSULTING

CRESDA offers a broad range of commercial real estate services in major markets throughout the US including tenant/ landlord representation, acquisition/ disposition services and advisory/ consulting services. Member firms are highly vetted and qualified commercial real estate service providers. Nancy Glick, CEO, and Susanne Newmark, President, oversee and support all dealings.

THE CRESDA ADVANTAGE

SIMPLIFYING THE PROCESS OF PROCURING DIVERSE REAL ESTATE SUPPLIERS

- Highly vetted and certified diverse commercial real estate suppliers
- Seamless representation in markets throughout the country
- Ability to operate as a Tier 1 or Tier 2 service provider
- Flexible and individualized approach to partnership

SEASONED LEADERS

Nancy Glick and Susanne Newmark, two veterans in the real estate brokerage industry, founded CRESDA out of the need they observed for better access to diverse real estate suppliers during their tenure at Newmark Associates, the largest and longest established women owned commercial real estate brokerage firm in NJ.

IN PARTNERSHIP

CRESDA supports clients in fulfilling their supplier diversity initiatives by providing streamlined access to diverse participation in their real estate brokerage dealings. CRESDA can operate directly as a Tier 1 provider or as a Tier 2 provider in partnership with a client's exclusive real estate provider. CRESDA is flexible in its approach to partnership and takes an individualized approach to every transaction.
